

ERASMUS CENTER OF ENTREPRENEURSHIP STUDENTS

WHAT DO WE DO?

Developing future entrepreneurial leaders by equipping top students with real-world startup and innovation experience.

Organizing major events and programmes, such as the 9-Hour Business Game and Student Founders Programme, that connect ambitious students with leading companies through hands-on collaboration.

Facilitating strategic partnerships by offering access to a proactive community of entrepreneurial talent from Erasmus University.

Operate as a non-profit focused on entrepreneurship, professional development and leadership.

SOME OF OUR EVENTS

At ECE Students, we believe that the quality of our events reflects the passion and ambition that drive our community. Every workshop, conference, or networking session is designed not just to inform, but to inspire and empower. We don't settle for average. We aim to create experiences that spark innovation, encourage collaboration, and leave a lasting impact. While we recognize that every venture comes with its challenges, we see each event as an opportunity to learn, grow, and raise the bar together.
